SECTION 1 – GENERAL

- 1.1 In compliance with the Commission's Detariffing order, the service offerings, rates, terms, conditions for the provision of intrastate long distance services are available via the Company's website at www.airustel.com.
- 1.2 Customers have certain rights and responsibilities under the Minimum Telephone Service Standards (4901:1-5 O.A.C). These safeguards can be found in the Appendix to Ohio Adm. Code 4901:1-5-03 which is entitled "Telephone Customer Rights and Responsibilities". These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnect and reconnection of service.
- 1.3 Long Distance Interexchange Service is a voice service offered to business customers. The service permits direct dialed outbound calling at a single per minute rate. Service is provided from presubscribed, dedicated or shared use access lines. No monthly recurring charges or minimum monthly billing requirements apply.
- 1.4 Tier 2 Business Local Exchange Service Local Exchange Service is telephone service that entitles the customer to originate local calls, without toll charges, to all local exchange access lines connected to a Central Office (CO) of the exchange, or to all exchange access lines served by COs of the extended local service area where comprised of more than one exchange. Service will be provided where facilities are available from the Local Exchange Company (LEC). Service is classified as business service and business rates apply when any of the following conditions exist:

When the service is furnished at a location where a business, trade or practice is performed and where the use of the location is not confined primarily to domestic activities.

Service for social clubs will be considered business service.

SECTION 1 – GENERAL (Cont'd)

1.4 Tier 2 Business Local Exchange Service (Cont'd)

When the directory listing is to be a business listing, except when a residence telephone number is advertised as an alternate call number in connection with a business telephone number.

1.5 Directory Assistance

Directory Assistance (DA) is defined as furnishing aid in obtaining telephone numbers. The Directory Assistance operator will not transfer, forward or redial a customer's call to any other location for any purpose other than the provision of DA service. The service is furnished subject to the condition that there will be no abuse or fraudulent use of the service. Abuse or fraudulent use of the service includes the obtaining, or attempting to obtain, or assisting another to obtain or to attempt to obtain Directory Assistance service, by rearranging, tampering with, or making connection with any facilities of the Company, or by any trick, scheme, false representation, or false credit device, or by or through any other fraudulent means or device whatsoever, with attempt to avoid payment, in whole or in part, of the regular charge for such service. In addition to any other action authorized by this Tariff, the Company may, in such cases of abuse or fraudulent use, assess appropriate Directory Assistance charges on the Customer's regular telephone account.

1.6 Custom Calling Services

Custom Calling Service is an optional service arrangement of central office services furnished to business customers. Custom Calling Features are offered subject to availability and suitably equipped central office facilities.
